

Children's Skin Disease Foundation

Todd E. Zavodnick

Board Member

Todd E. Zavodnick is the Chief Executive Officer at Dermavant Sciences — a company on a mission to make healthier skin a reality for patients living with chronic skin conditions such as plaque psoriasis and atopic dermatitis. A seasoned business leader, Todd has a proven track record of success in the pharmaceutical and aesthetic industries. Before joining Dermavant in 2018, Todd served as Chief Commercial Officer and President at Revance Therapeutics. Prior to that, he served in global leadership roles at ZELTIQ Aesthetics (before the company's acquisition by Allergan), Galderma Laboratories, where he was President and General Manager of North America, and Alcon Laboratories. A Registered Pharmacist by training, Todd holds a Bachelor of Science degree in Pharmacy from Rutgers University and an M.B.A. from the University of Texas at Dallas. A big believer of giving back, Todd has a Zavodnick family scholarship fund for minority athletes to help prepare them for the workforce and has helped mentor more than 850 athletes through the program. He is also dedicated to improving the lives of children with skin disease and their families and joined the CSDF board in 2015. He also serves on the board of Allurion Technologies. Todd volunteers at Camp Wonder, along with his daughter Quinn.

1. **What's your favorite camp wonder memory?** Playing foosball with the kids.
2. **If you had a camp nickname, what would you think it would be?** ToddyBolt.
My daughter gave me that name at camp one year when we were both volunteering because I said I could run fast.
3. **Favorite camp song?** Baby Shark
