Nick Summers

Jr. Board Member

Nick Summers is the Vice President of Operations for the Real-World Data & Evidence division of ConcertAI. Mr. Summers brings over 12 years of experience in healthcare consulting to develop ConcertAI's operational capabilities in support of their mission to improve patient outcomes through leading real-world data and AI technologies. Prior to ConcertAI, Mr. Summers held multiple positions at Precision Medicine Group as part of their corporate team and HEOR business unit. As Director of Strategic Projects, he oversaw the implementation of the company's first global ERP system that consolidated more than 15 multi-national businesses into universal financial accounting and project management applications. Before joining the corporate team, he held multiple leadership roles within the HEOR business including Director of Business Operations, Director of Health Services Research, and Director of Research Support. Mr. Summers is a Phi Beta Kappa and magna cum laude graduate of Occidental College, earning his BA in economics with an emphasis in business management.

1. **What's your favorite camp wonder memory?** Seeing the campers from my first cabin stepping into a counselor role and providing joy to the next generation of kids.
2. **If you had a camp nickname, what would you think it would be?** Giraffe
3. **Favorite camp song?** DISCO
